

THE DEVON HISTORIC CHURCHES TRUST IS DEDICATED TO SAVING OUR CHURCHES

# An Appeal to support our divine heritage

## WHY DO WE NEED YOUR HELP?

Devon's Churches have been a focal part of life in the county for centuries, providing both a spiritual and physical focus for the communities they serve and are an important part of both the landscape and our cultural heritage.

They are also an important part of both the landscape and our cultural heritage. In the last five years 131 churches have received our Grants, and a further 30 received our Emergency grants, which are immensely important and are given quickly and easily for urgent repairs such as leaking roofs.

A grant from the Devon Historic Churches Trust is often vital to enable essential fabric and refurbishment works to be undertaken.

We are very much dependent on donations, legacies and fundraising activities – these are vital if we are to continue our work in ensuring the future of our glorious Christian architectural heritage.
