

Mysteries of St Mary's Church, Burlescombe

What is the point of a staircase in the tower if it doesn't reach the ground? When and why was the church built? Why was it altered? These, and many other mysteries have been researched by David Beard and Harry Norton and their findings published by The Burlescombe and Westleigh History Group. **The Mysteries of St Mary's** is a fascinating, illustrated, 76-page, book on sale at £5 (plus £1.30 postage).
