

**On this day we celebrate and support the work of our wonderful Devon churches and the communities they serve.**

**The Devon Historic Churches Trust gives heartfelt thanks to the following churches who have 'gone the extra mile' in these very challenging times and are raising the vital funds needed to enable the work of the DHCT.**

**Special thanks also go to the parish communities that were unable to arrange a fundraising event, but sent the DHCT a Donation instead.**

**The DHCT has been very fortunate to have the support of *DevonChurchLand* in recent months and if you visit this slot on our DHCT website you can see the most superb map of Devon churches. Additionally visit the *DevonChurchLand* website which features brilliant Guides to many of them, with coverage increasing on a regular basis.**

---

**In the following Guide churches may be taking part that have not advised us.**

Sponsorship and Remittance Advice forms can be downloaded from our website  
[www.devonhistoricchurches.co.uk](http://www.devonhistoricchurches.co.uk).

A quote from Canon Chris Palmer, Canon Chancellor of Exeter Cathedral:  
*'Ride and Stride is a great event! I've taken part more than a dozen times in different counties of England – and have always loved cycling, exploring, good company and finding a great place to stop for lunch.'*

**The following supporters have created a Donation slot on the DHCT website JustGiving page  
Well done indeed!**

Winkleigh Mission Community Which includes: Dolton, Dowland, Iddesleigh and Monkokehampton 	On Saturday 12 <sup>th</sup> September the <b>Revd. Helen Blaine will be cycling</b> around the four churches of the Winkleigh Mission. <i>"Churches within the Winkleigh Mission Community have benefitted in the past from grants from the DHCT whose aim is to help parishes maintain their beautiful ancient buildings. The bonus part of this is that the Winkleigh Mission Community will get back half of any money raised, which will then be divided up amongst the four parishes. The less bonus part of this is that <b>Helen has to cycle 25 miles</b>, having only learned to ride a bike properly during lockdown! This is therefore more of a challenge than it might at first seem. She will however be ably assisted by Alastair – chief coach, instructor, first-aider (has been needed already) and very, very keen cyclist!"</i> <b>Go to the DHCT website and click on Helen's donation section via the Justgiving link.</b>
